Community Investment Tax Credits (CITC)

Rebuilding Together Baltimore has been awarded Community Investment Tax Credits (CITC) by Maryland’s Department of Housing and Community Development. Any individual or business that pays taxes to the state of Maryland can donate $500 or more to RTB and earn tax credits equal to 50% of the value of their contribution to reduce their tax liability.

If you itemize, there may be additional benefits that increase the tax benefits of your gift.*

The tax credits must be used against Maryland state taxes owed for the year in which the contribution was made and may not be used retroactively for taxes from a prior year. In some cases, a portion of the tax credits can be carried over to future years.
